

# Our Funeral Services

## Typically, the cost of a funeral will include the following elements:

### Professional Services

This includes taking care of all necessary legal and administrative arrangements. We will meet with you and your family to discuss the funeral arrangements and will provide guidance on all the practical and legal documentation required, such as how to register the death. We will organise the funeral service, committal and the after funeral reception, as required. This includes making arrangements with the crematorium, cemetery or church, and reception venues, as appropriate; liaising with your chosen minister or celebrant; and for any additional services as required. Our Funeral Director and branch team are available to help and provide guidance 24 hours a day.

### Collecting and Transporting the Deceased

Our professional, trained team will collect the deceased from the place of death or other location and will bring them into our care in a private ambulance or other suitable vehicle, with dignity and respect. Additional charges may apply for bringing the deceased into our care outside of normal working hours or for distances of more than 15 miles of our premises.

### Care of the Deceased

We will tend to the care and preparation

of the deceased before the funeral in appropriate, high standard, professional facilities. We will also dress your loved one in their own clothes or in a suitable gown, which we will supply if applicable.

### Embalming

We recommend embalming be considered for all the deceased people in our care where the conditions allow. It allows us to do all we can to maintain a natural appearance in the time up to the funeral providing a peaceful final memory for those who visit and peace of mind for those who choose not to. Embalming allows us to preserve the appearance of the person and slow down the natural processes that occur after death.

We do not make an additional charge for this service in the Traditional / Bespoke and Attended funeral options, but we do require your informed written permission to proceed.

### Viewing the Deceased

Use of our Chapel of Rest, or private rest room by appointment, for family and friends to spend time with the deceased as required.

### Ceremonial Hearse and Staff

On the day of the funeral, provision of a modern motor hearse (or other

appropriate vehicle, if applicable) to convey the deceased to the crematorium or cemetery. We will also provide a Funeral Director and staff, including four pall bearers, dressed in the appropriate livery, to conduct the funeral.

### Limousine

In addition to the above, we can also provide a chauffeured limousine for up to 5/6 passengers.

### Coffin

We have a wide selection of veneered and solid wood coffins in a range of finishes, coffins made from other natural materials, personalised picture coffins and American-style caskets to choose from.

### Disbursements and Third-Party Fees

Disbursements are payments made to third parties on your behalf. These may include crematorium or cemetery fees, minister or celebrant fees, etc.

### Additional Funeral Director Products and Services

This includes embalming, additional limousines, specialist hearses, reception of the coffin into church or home, urns, ashes caskets, keepsakes, jewellery, flowers, orders of service booklets etc.

# Payment Information

## Payment of Funeral Account

We respectfully request that a deposit is paid to us prior to the funeral. You may, should you wish, choose to pay the full funeral account in advance. The deposit we require is 50% of the total Funeral Director's Charges plus 100% of the costs for Disbursements and 100% of Other Products & Services you have chosen (This payment is also required for those claiming assistance from Government schemes) Should you choose the Unattended Funeral Package, we require full payment of the entire funeral account in advance.

Please Note: Payment is due within 21 days of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

Please be aware there is no need to wait for probate/confirmation. If sufficient funds are available, settlement can usually be made from the deceased person's bank account without having to wait for probate/confirmation to be completed. Please inform us if you intend to claim assistance for funeral expenses from Government Schemes (e.g. DWP). These assistance payments are normally a contribution towards costs and may not cover the entire cost of

the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger for advice and guidance. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility.

We accept payment by most major Debit or Credit Cards\*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your funeral arranger for details. \*excluding American Express and Diners Club International.

Additional help in paying for the funeral: Funeral Safe are authorised and regulated by the Financial Conduct Authority (FRN765110). They provide finance and allow you to spread funeral costs in monthly instalments. They will do a credit assessment of your circumstances when you apply, which will determine the rate they can offer you. The credit available is subject to status and credit assessment.

Funeral Partners Limited is an Appointed Representative of Funeral Safe Limited who are the Lender.
